

NOTICE:

There will be no church services for Peel Valley for Sunday, 11th July, or Sunday, 18th July. We hope that Covid19 restrictions will soon be eased, allowing us to attend church after that.

We will let you know through our newsletter the date that church is to resume.

Meg's Musings

“Don't worry about anything; instead, pray about everything; tell God your needs, and don't forget to thank God for the answers. If you do this, you will experience God's peace, which is far more wonderful than the human mind can understand. God's peace will keep your thoughts and your hearts quiet and at rest as you trust in Christ Jesus.”

~ Philippians 4:6-7, The Living Bible

It almost seems as though those words could have been written in relation to the current Covid19 pandemic. Instead they were written by Paul, almost 2,000 years ago.

They are words which have lasted down the ages.

They don't mean that we shouldn't wear masks, and wash our hands frequently, arrange to be vaccinated, and do anything else possible to minimise the spread of the disease.

Instead, they tell us to convert all our worries into prayers. In doing so, we can change fear into trust - trust in God.

We will feel at peace if we have entrusted our worries to God - and we can set an example to the people around us to do the same.
